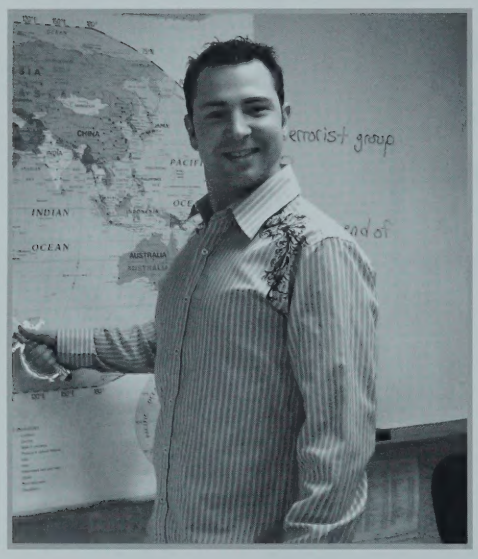
Dedication



The Class of 2010 would like to dedicate their yearbook to their class advisors, Mr. Rutkiewicz and Ms. Elkinson. Their committment to our class has been outstanding. We would not have been able to achieve such success as a class without their support. Mr. Rutkiewicz and Ms. Elkison's willingness to go above and beyond to ensure our time at Millbury High School was memorable is greatly appreciated. The countless hours spent working on events such as Winter Carnival, Junior Prom, and Graduation truly reflect their commitment to the Class of 2010. Although our time at MHS is through, we will never forget the times we spent here in great part due to the work of our class advisors, Mr. Rutkiewicz and Ms. Elkison. Thank you!

A special thanks to our class officers Sarah, Cameron, Peter, and Chelsea. Elected all four years of high school, the officers worked as a team to make important decisions concerning the Class of 2010. Their extra initiative has made our time at MHS all the more fun! We would not have been able to have so many great times without their hardwork and dedication to our class. Thank you!

A Special Thanks to our Class Officers!

"I've heard that it's possible to grow up - I've just never met anyone who's actually done it... We throw tantrums when things don't go our way, we whisper secrets with our best friends in the dark, we look for comfort where we can find it, and we hope - against all logic, against all experience. Like children, we never give up hope..."

-Meredith Grey from "Grey's Anatomy"

The fall cheerleaders had a great season and a lot of fun! All of the girls worked so hard to make it to where they did. The countless hours of practicing definitely paid off for the Lady Woolie Cheerleaders! The season ended with the girls placing the highest in States in Millbury's school history. The girls were also lucky enough to travel to Florida for the national competition where they placed 2nd. They had a great time and will always remember it! The three senior captains, Jess Franchi, Ashley Armenti, and Ashley Gasco, led the team during all of their competitions and helped the girls to reach their goals. A fun season was had by all and the girls look forward to competing next year.

This season was very interesting as many of the starters previously graduated. A whole new offense and defense were established and each new week kept the players guessing. The team record never showed it, but they played in some of the best games of the decade. Millbury faced some of the best teams in Massachusetts with their biggest win coming on Thanksgiving, completing the "decade of dominince." This team was truly a family; they bonded and had fun both on and off the field. They had a very "unique" season and will never forget the times they had. Friday night lights were the best ever, especially playing with the 2010 seniors. They'll always have that bond, the brotherhood that is Millbury football. Here's to the times boys, the games, the two-a-days, and the fun.

It was a great season for the girls varsity soccer team! The team's record shows how great the season turned out. All the girls were a family and worked hard to get as far as they did. They never gave up, even when they were down a goal. Fighting until the end showed how dedicated these girls were in trying to be the best. Their season was incredible and will always be remembered. Even though the players had hoped to win it all, they were very pleased with the outcome. There were many important moments along the way. Chelsea Perkins broke the school record for most goals scored. In addition, Erin Ronan broke the record for the most shut outs in school history. Also, Katie Nasuti broke the record for most varsity games started in Millbury history.

This season started slowly for the boys varsity soccer players but they fought through and ended up having a successful season. The boys made the district playoffs as the 11th seed and beat Bay Path in the first round. This was the first Millbury Boys soccer district win in 9 years, and the team's second consecutive year in the districts. The team worked hard to make it to this place and they definitely deserved it. The season ended after a tough loss in the quarter finals. Millbury Boys Varsity soccer has turned itself around to be a contender in Division 2 every year from here on out. The returning players are looking forward to next year and are hopeful to have an even better season than this year.

Also, Katie McKenna and Amy Mietkiewicz were two of the top finishers for the girls and helped keep the team together. Captains: Pat Daley & Joe Raymond

The boys cross country team had a fun and exciting season this year. The boys struggled a little but always tried to do the best that they could. Although the season was disappointing for some, others were able to achieve their personal bests. Throughout the season, they came closer together as a team. The boys always tried to push each other to their limits. They did not want to settle for second-best. Senior captains Joe Raymond and Pat Daley did a great job keeping the team going. They were always there to offer words of encouragement, especially to the younger members of the team. In addition, Pat was the only member of team to make it to States this year. It was a great experience for him. The returning underclassmen are looking forward to next year and believe that they will improve and have a more successful season. Thanks to Coach DiGangi for keeping the players excited about cross country!

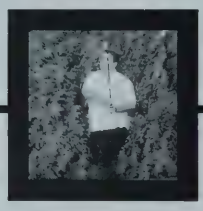
The volleyball team had a very successful season this year. The girls were able to make it all the way to districts through their hard work and dedication. Unfortunately, they had a tough loss to Sutton. The players were all best friends and got along great. They were there for one another no matter what. If one of the girls was having a problem, the other players were there to cheer her up. The girls had the highest respect for one another and always played in unison.

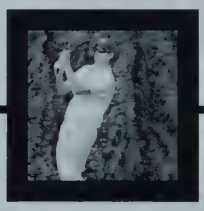
Senior Erica Ferretti, one of best back-row players, was there to bring up the intensity every time she walked onto the court, even when doing a quick sub-in. Erica and co-captain Meaghan McCausland led the team, along with Coach McKeon. McKeon being a former Doherty High School student, made for extremely intense games when the girls played Doherty. Coach knows how to get through to the girls on the team. He is always the first to congratulate the girls for a great play. When the players make mistakes, he is always kind in correcting them.

Golf

Coach: Mr. Healey
Team: Brandon Moseley, Eric Green, Brian Townsend, Tom Reidy, Anthony Gabriella, Tyler Vickstrom, Matt Jachimczyk, Zach Nash

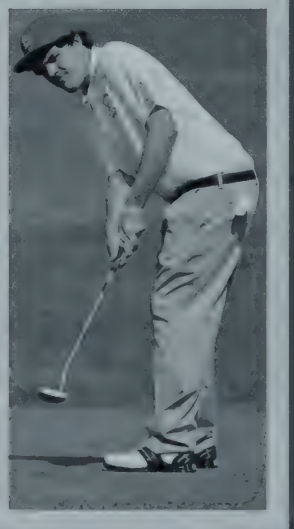
Record:
5-13-1

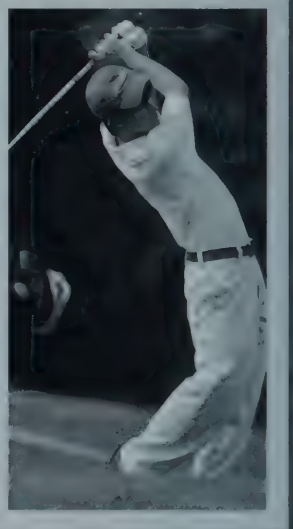




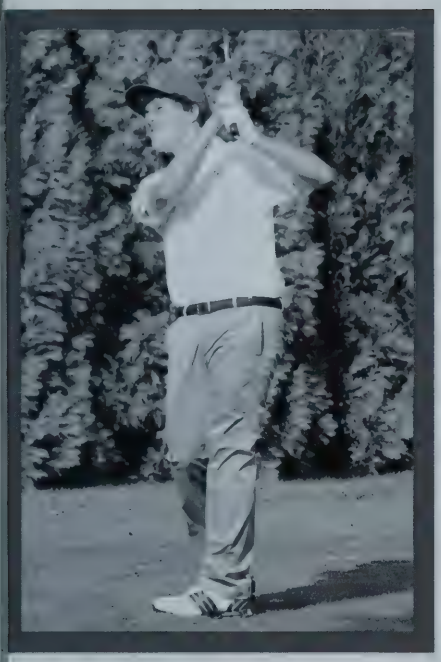
TEAM quote:

"Hole in one!"





Captains: Tom Reidy & Brian Townsend



This year the golf team had a rebuilding season. The young team finished 5-13-1. It was a tough season being left without four seniors from the previous year. The boys didn't really expect to do very well but at least they got a few wins and had a good time out there. Coach Healey did a great job keeping the team on track and helping them improve. One big accomplishment for the team this year was having two junior captains, Brian Townsend and Tom Reidy, on the SWCL all-star team. Also Reidy tied for 3rd place in the SWCL league tournament with a 79. The team had a hard season but will be improving in the near future. They are looking forward to next year and will be practicing over the summer.

This season the girls varsity cheerleaders had an amazing time. They had a good season and although they struggled at some points, they were able to pull through and end their season successfully. Much of the season was spent preparing for the Nationals in Florida. This was only the second time that the girls made it! It was a very exciting time for the team who spent countless hours practicing and training. Overall, they had a lot of fun and did very well. Also, it was the first time ever that the cheerleaders had a game team along with the regular competition team. Both groups did a fantastic job in their respective areas. The senior captains Ashley Armenti, Jess Franchi, and Ashley Gasco were always there to offer words of encouragement to the other team members and to help push them along. Coach Reidy also was there to keep the girls on track and help them to stay focused to reach their goals. Everyone is looking forward to next season!

Another succesful season passed by as the Lady Woolies went to the state championship for the third consecutive year. Beating Groton-Dunstable for the fourth year in a row, they became district champions once again. Not only were team goals achieved, but personal milestones were reached. Team captain, Julie Frankian, layed in her 1,000th point in a win against Grafton, while co-captain Chelsea Perkins helped lead her team back to the DCU Center. Seniors Katie Nasuti and Lauren Kosiba had successful seasons, exceeding the expectations of the shoes they were to fill. Graduating three memorable seniors, the girls plan to bounce back to the state finals again in the year to come.

The varsity boys basketball team had a great season this year, making it all the way to the district finals. The boys had a buzzer-beater against Clinton in the semi-final round. Unfortunately, the team suffered a tough loss to Groton-Dunstable in the finals. But the boys always practiced really hard and went out there expecting to win every game. Senior captains Ryan O'Leary and Tim Swenson really stepped it up this year and did a great job leading the team. They held team meetings and practices on their own to keep the team members on top of their game. Leading scorers were Scott Barrows, Pat Beckier, and Andy Ekstrom. They helped lead the team to many victories. Coach was very organized and really knows how to push the players to their limits. Overall, the team had fun and the returning players are looking forward to next season. Hopefully they can make it back to the finals and come out with a win this time!

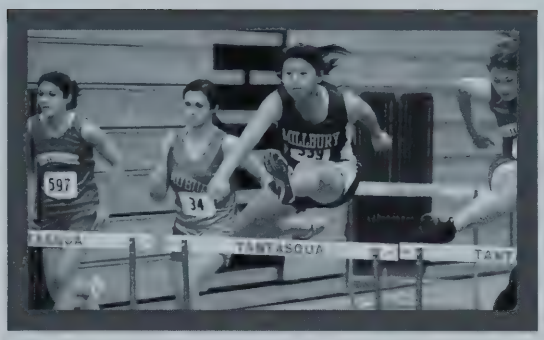
Captains: Nancy Luu & Amy Mietkiewicz



The girls' indoor track team had a good season this winter with an 11-3 record. The girls were led by senior captains Amy Miotkiewicz and Nancy Luu, two girls who really added a lot of fun to the team and always made everyone laugh. The captains were hilarious while also being some of the top scorers, along with Tory Miles. The team did work hard while having fun, always striving to win and to beat their own personal records. Coach did a great job motivating the girls and wasn't afraid to play a game of hide-and-go-seek! The girls will definitely miss the graduating seniors, but there are many younger members of the team who have promising futures.

The boys' indoor track team had a great season, finishing SWCL East champions! The team was led by senior captains, Pat Daley and Joe Raymond, who both did a great job competing in the 2 mile and 1 mile, respectively. The team struggled with some cold and brutal practices, but they were able to push through. The boys faced some tough competition in their meets, but they were often able to come out victorious. The coaches were always there to push the players and keep them going, even when they wanted to give up. With only 3 losses, the boys really showed what they can do. They will miss the graduating seniors and are looking forward to next year.

The team, consisting of all juniors and only one senior, one sophomore, and one freshman, experienced some rough patches along the way. But as a team, the girls were able to work through. They became stronger and closer as the end of the season approached. All of the girls were sad when it came down to their last game because their friend Erica was leaving for good as a graduating senior. The girls plan to come back next season and be better and stronger than ever. They are all looking forward to improving their record from this year.

The boys' varsity baseball team had a great season. They won many tough games and gave it all they had. The biggest win of the season, by far, was the home game against rival, Auburn. Ace pitcher Kris Doyle shut down the Rockets while Ryan O'Leary creamed a grand slam over the left field fence for insurance in the fourth inning. This season Kris Doyle also pitched Millbury's first perfect game, striking out 15 Sutton batters. The team went on to play Millbury's first District game in seven years against Monty Tech. The Woolies won 7-0. Junior Brandon LaCrosse said about the team, "The team just clicked well, every player could play every position and play it well. On and off the field the team had each others' backs. We were a true family and that is what made us so good." The players had a great time and the underclassmen can't wait to get back out on the field next year.

The girls' spring track team had a good season. The girls suffered a tough loss to Uxbridge, which left many of the players disappointed. But they didn't let that stop them. The Lady Woolies had a fun season. Led by captains Nancy Luu, Amy Miotkiewicz, Laura Chapman, and Jill Perkins, the girls always gave it their best and stived to beat their own personal records. The players were really unified and determined to win their meets. They had a good close to the track year with this spring team. They would like to thank their coaches, Mr. DiGangi, Mr. Blunt, and Ms. Marderosian, for their dedication to the team and for always pushing the girls to do their best.

TEAM quote:

"Game plan: Run Fast!"

Captains: Pat Daley &
Alec Vigliatura

The boys' spring track team had a tough season. Even though the boys didn't have a great record, it wasn't about the outcome, but how the boys worked together. Captains Pat Daley and Alec Vigliatura led the team through many tough meets. The boys always made sure they were well-prepared and ready to win. With a vast array of competitors in the many events, the Millbury Woolies had some exciting victories against the other schools. Junior, Zach Murray, wrote the following haiku:

"Plan for victory;
Run fast until you pass out.
Woolie Pride on three."

The returning players can't wait to do even better next season.

Brittany,
Seems like just yesterday you were
born and now you're graduating.
You have become a beautiful, smart
young lady. Hope you succeed
in all you do and become. Continue
to be a leader and not a follower.
And most of all we are always
here for you and only a drive away.
We love you,

Congratulations Brittany,

To my loving granddaughter,
The day you were born I knew you
were very special and could do
anything you put your mind to. You
are a loving and caring person and
can make everyone laugh. I know
you will go a long way in life.
So go reach for the stars and make
your dreams come true.
I am very proud to call you my granddaughter.
Love you with all my heart,

Brittany...
As we celebrate with you this milestone,
we can not help but flip through the
pages of time and remember the little
girl that went from baby shoes to soccer shoes,
play dresses to prom dresses and Barbie's car
to a real car and everything in between.
While traveling on the road of life it is
sometimes bumpy and curvy, please
remember that your thoughtfulness,
caring and unique personality will see
you through, but most of all remember
that we love you very much and are very
proud of you and all your accomplishments, but
most of all remember how proud we
are to be your grandparents.
Love, Grandma & Grandpa

Brittany,
You grew up with your older sister.
It is evident that one stood by the other.
Throughout your school years there
was always a sport or two to keep you
busy, so it is not surprising that you will
continue on that path into college.
Tall, thin and lovely is Brittany.
Enjoying children has helped you decide
what course to take into your future.
Best of luck in your endeavors,
I love you,
Meme
